

PATTERSON PUMP COMPANY ENVIRONMENTAL POLICY STATEMENT

Patterson Pump Company advocates a clean environment. It is our policy to minimize the generation of hazardous and non-hazardous solid wastes as well as to eliminate air and water pollutants where possible through continuous improvement, best management practices, technological advancements, and employee awareness. It is Patterson's policy to comply with all applicable environmental laws and regulations. This reaffirms our commitment to provide a safe and healthy environment for our employees, customers and neighbors in the community.

President & General Manager – Albert Huber
